 WHISTLER CANADA

What's better than beating the crowds with an early lunch at Merlin's Bar & Grill? How about getting a free ski or board tuning while you eat?

Just drop off your skis or board at the Tuning Centre before heading to Merlin's next door (by noon) and we'll give you a free machine waxing or \$9.99 towards any other tuning service when you bring back a validated receipt for \$12 of food.

Merlin's is open daily from 11am. So sit back, chow down and we'll tune you up, for free!

Valid only at the Blackcomb Daylodge Tuning Centre. One per person, per day. Offer available until April 22, 2012. Valid only for minimum \$12 food before taxes and gratuity, does not include alcohol.
